PE and Sports Funding –2016/17

Vision

We are delighted to have received over **£8000** in funding for Primary PE and Sport.

We are committed to ensure that this funding is used to support extension of our current provision and to build sustainable development in training, partnerships and developing PE and Sports through initiatives and resources.

Through Physical Education all pupils will become physical literate along with knowledge, skills and motivation necessary to equip them for life of learning, leading a healthy lifestyle through physical activity.

Impact

To ensure all pupils participate in fun, purposeful physical activities in a safe learning environment. All pupils will be challenged through balance, coordination and physical movement activities whilst developing the link between their physical, cognitive, social and emotional learning. - Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
