# Vision and Ethos Statement

## Vision

At the heart of our community we create the highest quality learning experiences in support of the needs and aspirations of each of our learners in our inspiring, safe and welcoming environment to help all our learners achieve and flourish a relevant, purposeful and inclusive education in preparation for life and your future

At Excelsior Academy we strive to meet the needs and aspirations of all our learners to enable each and every pupil to achieve and flourish so we place 'the child' at the heart of all we do. This is expressed in our Mission Statement.

## Mission Statement

Each Child – Each Moment – Each Interaction  
Great Learning – Great Teaching – Great Leadership

Our uniqueness is important and is based around our 'Schools within a School model'. Excelsior Academy is made up of five separate semi-autonomous schools, each with its own accommodation, Principal, Leadership, Teaching Staff, Welfare teams, and of course pupils. Our Primary, three Secondary Schools and Sixth Form College have a family feel, where our pupils feel safe, comfortable and confident to achieve their potential.

Generous support from our sponsor enables us to offer our pupils a wide range of opportunities beyond the curriculum which may not otherwise be possible. Our ambition is to ensure that our pupils benefit from a wide range of experiences which will help prepare them for their lives after school. We work closely with our local community and business partners to develop exciting opportunities for our young entrepreneurs, artists, performers and sports people.
